## Note of introduction

This study guide is intended to help participants maximize the time they spend in continuous communication with God during the forty day **look-up2him** text-messaging program. The following statement expresses our foundational goal:

**“The mission of LookUp Ministries is to help people develop and maintain a lifestyle of ongoing communication with God.”**

When you participate in this program, we believe that your life will begin to change and you will experience a new and revitalized relationship with God. As with all worthwhile things in life, the more you put into it, the more you get out of it. This study guide is just one way to help you make the most of your **lookup2him** experience.

If you are involved in this program as a group, the added benefit is that you can share the experience with others. Churches have found that the impact is significant when a large part of the congregation participates. This is literally the first time in human history that churches have the opportunity for all of their members to “successfully” seek God throughout the day. You can only imagine the spiritual fire of unity that will result from such an activity.

Whether you participate as part of a church congregation or as an individual, the results will be the same—God works through the life of each person on an intimate level and if you invite him in, he will reveal himself to you. We help by sending text message reminders so that you can connect with God throughout the day. You are going to love the journey.

This study guide contains the Scripture verses you will receive each day and a list of key questions to help you process the experience each week. Here are three suggestions to help you maximize your time with God:

**1) Take time to communicate with God right where you are when you receive a text message containing Scripture.**

# The 40-Day Challenge

2) Journal your thoughts at the end of the day. We know some people don't like the idea of doing this, but we ask that for the next forty days you spend a few minutes putting your thoughts and prayers on paper. You will be surprised at the revelations you will experience when you take the time to journal.

3) Read through the verses in the study guide but be sure to read surrounding verses in your Bible for a better understanding of the complete context. Also, take the time to answer the short questions at the end of each week. Ideally you'll do this in a small group of fellow participants, even if it's over the phone.

Enjoy your time with this, and remember that you are free to forward to others the text messages you receive. Our desire is to spread the good news of Scripture, and we hope you will take time to explain what lookup2him is about and direct friends to our website so that they get a better understanding of this process.

Have fun!

But whoever disowns me before men, I will disown him before my Father in **HEAVEN**. *Matthew 10:33*

Therefore, whoever humbles himself like this child is the greatest in the kingdom of **HEAVEN**. *Matthew 18:4*

However, do not rejoice that the spirits submit to you, but rejoice that your names are written in **HEAVEN**. *Luke 10:20v*

Jesus rebuked the **DEMON**, and it came out of the boy, and he was healed from that moment. *Matthew 17:18*

But if I drive out **DEMONS** by the Spirit of God, then the kingdom of God has come upon you. *Matthew 12:28*
